Sir,

Sub: Education - Fisheries - Fisheries School at Ajanur in South Kanara District - Building - Enhancement-payment orders - solicited.

Ref: 1.G.O.Ms.No.4706 Development dated 6-11-52.
2.G.O.Ms.No.3237 Development dated 13-7-53.

In the order first cited Government were pleased to permit the owner of the building in which the Fisheries Elementary School at Ajanur is housed to construct a shed for conducting coir hand crafts classes on the assurance of being paid the rate of rent fixed by the Public Works Department. In the order second cited Government sanctioned the payment of a rent of Rs.4-12-0 per month with effect from 1-3-1953 for the shed constructed by the owner. The rent of Rs.4-12-0 was fixed by the Executive Engineer, South Kanara division, Mangalore. The owner of the building is not satisfied with this rent and has demanded a rent of Rs.10/- per month, on the ground that he has to spend an amount of Rs.100/- per year for annual repairs for this shed alone. The Assistant Director of Fisheries, Mangalore states that an increased rent is reasonable and recommends that a rent of Rs.8-8-0 per month may be sanctioned. The owner of the building is agreeable to accept this rent.

The Executive Engineer, Mangalore was addressed by me on 8-7-55 to inspect the building once again and to let me know if the rent of Rs.8-8-0 recommended by the Assistant Director, Mangalore is reasonable for not taking into account the non availability of Public or Private buildings in the locality. The Executive Engineer in his reply No.1933 H dated 21-7-55 has stated that the reasonable rent for the shed can be fixed by this department as it is less than Rs.15/- and the building is also not in the Head Quarters of the Section Officer or the Sub Divisional Officer of the Public Works Department. As the owner has to incur an expenditure of over Rs.100/- annually in connection with annual repairs to the shed, I request Government may be pleased to sanction the payment of a rent of Rs.8-8-0(Rupees Eight and Annas eight only) per month to the shed with effect from 1-4-1953. The total rent payable to the entire buildings will be Rs.26-8-0 per month if the enhanced rent now recommended is sanctioned.
